Reaping Benefit

From the Experience of Bennington People

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Bennington residents on the following subject will interest and benefit many of our readers. Read this statement. No better proof can be had.

Henry Pulver 172 Beach St., Bennington, says: "I worked hard and was on my feet constantly and as the result, my kidneys became disordered. My back was lame and sore and I had headaches and dizzy spells. The kidney secretions caused me annoyances. A friend advised me to use Doan's Kidney Pills and I procured a supply at Cole's Drug Store. I noticed improvement from the first and after I had used two boxes, the backache left and the kidneys became normal. You may continue to publish my former endorsement of Doan's Kidney Pills. Kidney complaint has never returned since I was cured."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Pulver had. Foster-Mulburn Co., Props., Buffalo, N. Y.

THOUGHT SHE COULD NOT LIVE

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Unionville, Mo.—"I suffered from a female trouble and I got so weak that I could hardly walk across the floor without holding on to something. I had nervous spells and my fingers would cramp and my face would draw, and I could not speak, nor sleep to do any good, had no appetite, and everyone thought I would not live."

Some one advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine and my doctor said he could do me no good so I told my husband he might get me a bottle and I would try it. By the time I had taken it I felt better. I continued its use, and now I am well and strong.

"I have always recommended your medicine ever since I was so wonderfully benefited by it and I hope this letter will be the means of saving some other poor woman from suffering."

Mrs. MARTHA SEAVEY, Box 1144, Unionville, Missouri.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

GLOVES

One hundred and thirty-six different kinds from 15c to \$5. Every one of these were bought and delivered to us before the war—before the tremendous advance in leathers.

Our prices are "BEFORE WAR PRICES," even on those foreign ones of Dent & Co. and Perrin Freres, of which no more may be had at any price.

We cannot describe all these gloves but we call your attention to a few particularly fine numbers:
